Insights on the **Water-Energy-Food** Nexus

Invitation to Sponsors

In June 27-30, 2018 the 3rd EWaS (Efficient Water Systems) International Conference will take place in the beautiful island of Lefkada, Greece

A sponsorship increases your organization's exposure to the highly targeted audience. With this respect, you could increase your recognition by becoming a sponsor.

Except for the promotion and advertising benefits achieved through sponsorship, there are other tangible benefits that your organization could receive described in the present invitation.

We would like to thank you for considering this request, and we look forward to your response.

The Conference Chair

Assoc. Prof. Vasilis Kanakoudis
